

THE COCKER SPANIEL CLUB

SUNDAY 16TH JULY 2023

My sincere thanks to the Officers and Committee of the club for giving me the chance to judge our most prestigious club show, an honour indeed. Thank you so much for the beautiful etched vase with Swarovski diamonds inset, a wonderful memento of the day. Thank you to all of the exhibitors from home and abroad for giving me the pleasure of judging your girls. With an excellent entry to enjoy I must thank my very good stewards for keeping the ring moving. My observations were that very few had incorrect or borderline mouths, definitely an improvement. Only 3 or 4 were a little over awed by the appalling noise in the hall so allowances were made for these few. There were many very promising youngsters that will change places as they mature, several should have a really good future, this is what the breed needs, as ever in some classes I would have liked more than one red card to award.
